FSS Spotlight

A1C Esperanza Garcia

Fitness & Sports
Special Events Coordinator

When is your birthday? 10 June.

What is your favorite color? Earth tone colors.

What is your favorite type of music? I like a variety of music but my go to would be Hip-Hop/Rap.

What is your favorite food? Mexican food.

What would you do if you won the mega millions? I would donate to all the countries that live in poverty and set up a scholarship fund for individuals that have chronic illnesses. After that I would buy a huge ranch somewhere in California. I’d then go to all the high-risk shelters in the country and rescue animals and house them on my ranch.

What is the most adventurous thing you have done? Joined the military.

What are you scared of? Not being successful in life.

What is that one thing that makes you really happy? Helping others to succeed.

What is that one thing that makes you really upset/grumpy? Seeing someone with so much potential just doing the bare minimum.

If you were to be born for a second time, who/what would you want to be & what would you want to do? I’d be myself all over again and just make better choices.

What do you think about your current job? It allows me to put on events to boost morale on base. So to me it’s very rewarding!

If you could work at any other FSS facility, which one would it be & why? I’d work at the Library just because I love reading books and it’s quiet. :)
