Do You Know the Rules for Extension of Enlistment in the Air Force?

Airmen are eligible to extend their current enlistment, provided they meet a condition in AFI 36-2606, Reenlistment and Extension of Enlistment in the United States Air Force, Table 6.2. Extensions are approved in all months only, and are limited to the minimum time needed to meet the retainability requirement.

Exception: Airmen serving in SRB skills, who hold a 3-level or higher in the SRB skill, may extend their enlistment in one increment for a minimum of 36 months, up to and including 48 months even though lesser retainability is required and receive an SRB, if eligible. This exception is limited to Airmen who extend under Table 6.2, Rules 12, 13, 14 and 29. Additionally, Airmen may not combine 2 or more extensions to qualify for a SRB.

Do You Know Your Rights to Request an Evaluation Appeal?

The Commander, Air Force Personnel Center (AFPC/CC), establishes an Evaluation Reports Appeal Board (ERAB) to assess requests to correct evaluation reports and to correct substantiated errors or injustices for personnel on active duty or extended active duty (EAD).

The ERAB works under the assumption that evaluation reports are accurate and objective. If you are requesting a report be voided, substituted or corrected, you must provide strong evidence (documentation) that the report is not a valid assessment.

Contact the MPF if you have any questions.

Did You Know That You Can Get Tasked to Deploy Here at Incirlik AB?

While many might not know, you can actually get tasked to deploy here at Incirlik AB. If you are notified that you will be deploying out, please contact your UDM for all your deployment needs, such as reporting instructions, mobility folders, and identification tags. Remember, it is up to you to make sure you are ready for your deployment but your UDM or the base IPR are here to help!

Frequently Asked Questions

I came to Incirlik AB without a follow-on assignment and would like to know when I’ll be getting an assignment loaded?

For enlisted personnel, AFPC publishes 8 Enlisted Quarterly Assignment Listings each year (4 overseas cycle and 4 Overseas Returnee/CONUS Mandatory Mover cycle (OSR/CMM)) and the listing schedule is available through MyPers website on the Assignment tab under the ‘LEARN MORE ABOUT’ section. Members are considered for overseas cycle first. To calculate your particular overseas cycle, simply add 1 or 2 months to your DEROS in order to match the RNLTD requirement. If you’re not selected for any of the overseas assignment, then you will be considered during the OSR/CMM IAW your DEROS month. For officers, consult the Air Force Officer Assignment System timeline in myPers for when Talent Marketplace preferences must be completed or contact the MPF for assistance.

My DOS is coming up but I’m still not projected for any separation action? If you desire to separate from the Air Force upon your Expiration of Term of Service/Date of Separation (ETS/DOS), you must apply for voluntary separation via vMPF. The member should submit the request using the ‘Initiate My DOS Separation’ link no earlier than 180 days prior to his/her ETS/DOS. If you desire to separate from the Air Force prior to your ETS/DOS, then your request must be submitted using the ‘Early Separation’ link. Please note that if you desire to separate earlier than your ETS/DOS, then certain eligibility criteria must be met.
