This presentation will elaborate on the three C's of communication: to communicate, to collaborate, and to commit. Participants will also learn about the different aspects of verbal and nonverbal communication.

**Building Stress Resiliency: Making Stress Work for You** 25 March
This presentation digs deep to open the eyes of participants to their beliefs on stress and helps them learn how to make stress work. Includes four ways to increase stress resiliency and practice techniques to reduce stress related tension.

**Creating a Healthy Marriage** 28 March
This presentation discusses the myths, examines the stages of marriage, and the behaviors that lead to marital conflict. It teaches keys to creating and maintaining a healthy marriage.

**Responding to Toddlers Who Bite and Hit** 30 March
This presentation reviews challenging toddler behavior, like biting and hitting, while providing solutions for redirecting the child to make better choices and communicate effectively.
