Club Membership History

Air Force Clubs have a proud history, which dates back to the first-established “clubs” that were authorized by Army regulation in 1835. Originally, clubs were established as dining facilities (messing). It wasn’t long before clubs became a natural hub for social functions and official purposes.

Over the past 50 years, “The Club” has evolved where it is inextricably tied to the Air Force institution. Clubs evolved to meet commanders’ needs, as well as the social and morale needs of the men and women under their command.

Very simply, clubs embody the essence of military tradition and a proud warrior heritage. If taken away, the Air Force loses a key and valuable component of the “whole person” we try to develop over a period of their career.

A number of life-style and organizational changes swept through the Air Force over time, and altered the way our people view clubs. Recognizing these changes and understanding how they affect our institutional values is important to us all.

Throughout our history, the Club has served as the center of our military social fabric a place to learn and demonstrate the Air Force Core Values. The Club also serves another important requirement: as a valued part of our FSS nonappropriated fund (NAF) quality of life program. Profits earned through the Club go back out to the overall community by supporting those areas that are not as profitable, like Outdoor Recreation, the Community Center, Youth Center, and others. Clubs are one of the cornerstones of our FSS program. Your Incirlik Club Complex goes to great lengths to be the “greatest Club you’ll ever be a part of.”

Health topic of the month: Eating healthy on the go

It seems like here at Incirlik, we are always so busy. Many times, we’re too busy to make food for ourselves or make healthy choices when deciding what to eat. However, there are some simple ways to eat healthy.

Two words: plan ahead. That’s the key that will keep you away from the vending machines and office donuts. Stock up on the healthy options and portion them out for the week in snack bags or reusable containers. Try nuts and seeds, grapes, cherry tomatoes, strawberries, baby carrots, celery and dried fruits, and air-popped popcorn. Whole-grain crackers and low-fat cheeses or yogurts are great on-the-go snacks, too. So are whole fruits of all sorts: apples, bananas, peaches, plums, oranges (whole or sliced before packing).

Healthy breakfast to go is important as well. For many of us, breakfast is something quick we grab as we’re running out the door or maybe even a meal we skip completely. Try instant oatmeal that’s quick, high in fiber, and will keep you full. Buy packets at the store and make them at work using hot water from the coffee maker. Pick flavors low in added sugars. To snack sensibly, choose these nutrient-rich snacks:

**Crunchy**
- Apples and Breadsticks
- Carrot and celery sticks
- Green pepper sticks
- Zucchini circles
- Radishes
- Broccoli spears
- Cauliflower
- Unsalted rice cakes

**Thirst Quenchers**
- Fat-free milk
- Unsweetened juices
- Low-sodium tomato or mixed vegetable juice
- Water

**Sweet**
- Unsweetened canned fruit
- Thin slice of angel food cake
- Baked apple

**Munchy**
- Unsalted sunflower seeds
- Whole-grain breads or toast
- Cherry or grape tomatoes

Breast Cancer Awareness Month

Breast Cancer is a disease in which malignant (cancer) cells form in the tissues of the breast. Early detection has a survival rate on 98%-this includes doing monthly breast self exams and scheduling regular clinical breast exams and mammograms. Diagnosis through multiple tests including mammogram, ultrasound, MRI, and biopsy. 1 in 8 women will be diagnosed with breast cancer in their lifetime. Only a small percentage of breast lumps turn out to be cancer. Men can get breast cancer too.

TAKE A STAND: PREVENT DOMESTIC VIOLENCE

- Teach young people that violence is not acceptable.
- Promote general domestic awareness: talk to your friends and family about an issue.
- Offer support/understanding (not your judgment) to a friend/family member that may be concerned about.
- Support your friends and family by informing them of resources that can help them if they are experiencing problems in their relationships.
- Become active in domestic violence prevention activities on your installation or in your local community.
- Report to law enforcement or your Family Advocacy Program if you suspect abuse.

Domestic violence is a crime. Domestic violence can result in serious injury or death. Battering use emotional, psychological, economic and physical abuse to control their victims. More than 4 million people are abused by their partner each year. Anger, alcohol, drugs or stress are never excuses for abuse. Children also suffer when there is domestic violence in the home. Crosses all socioeconomic, age, gender, race, culture & military rank.
