

INCIRLIK AB TESTING CENTER

A variety of testing is offered on Incirlik AB, both military tests and civilian tests.

AF Military Testing is offered through the Education Center.

Call 676-3211 or email 39fss.fsde@us.af.mil to schedule a test date.

All members must be in uniform when taking military tests at the Education Center.

Armed Forces Classification Test (AFCT) & Defense Language Aptitude Battery (DLAB)

The AFCT is the equivalent of the ASVAB for service members (regular, guard and reserve components). The DLAB measures your ability or aptitude to learn and understand language by being able to recognize rules, structures and the various components of language. Both tests are about 2 hours long.

Career Development Course End of Course Exam*

All test requests for CDC testing must go through the Unit Training Manager who will either schedule you or forward the request to the Base Training Manager OR Test Control Officer for scheduling.

Professional Military Exam

You must order your test from Air University before requesting a test date. You must provide the confirmation from Air University that you have ordered your test and the date and time you would like to schedule your PME exam. We will not schedule anyone for a test unless their test has been ordered through Air University.

Defense Language Proficiency Test (DLPT)

The DLPT is comprised of two modalities (reading and listening) and you have up to 3 ½ hours for each exam. Foreign Language Proficiency Bonus (FLPB) pay requests will be submitted only after we receive the signed AF Form 2096 and Secretary of the Air Force agreement letter. See the Education staff for more details.

Air Force Officer Qualification Test (AFOQT)

The AFOQT is required if you apply to any AF commissioning program. Allow at least two weeks from date of testing to receive your test results to include in your commissioning package.

Weighted Airmen Promotions Test (WAPS)*

WAPS out of cycle test sessions are conducted up to twice monthly during non-test window times if needed. Contact your Unit WAPS monitor to coordinate a test date with the ETS Test Office.

*Test date must be scheduled through unit representative.

Civilian Testing is offered through the National Test Center - University of Maryland

Global Campus. For questions, call 676-6367 or email adana-europe@umgc.edu.

To reserve a seat and date, <https://outlook.office365.com/owa/calendar/>

CLEP & DANTES TESTING TIPS

- A. GUESS! There is no penalty for wrong answers; no points will be deducted.
- B. There are approximately 120 multiple-choice questions.
- C. You have 90 minutes to complete the test (120 minutes for some tests requiring an essay).
- D. Take the last five minutes to check your answers for accuracy and to ensure none were left blank.
- E. If an exam is failed, you must wait 3 months and pay to retake the exam. You can still take other exams during this time.

REGISTERING FOR DANTES EXAMS

1. Reserve your seat —

<https://outlook.office365.com/owa/calendar/NTCADanaeurope@umgc.edu/bookings/>

2. Select the type of exam then an available session to take your test

DANTES SUBJECT STANDARDIZED TESTS (DSST)

ALL DSST AWARD 3 CREDITS FOR PASSING SCORE

Must wait 30 days to retake (at personal cost)

REGISTERING FOR CLEP EXAMS

In order to take a CLEP test, examinees are required to set up an account with College Board and register for the exam as follows:

1. Go to <https://clep.collegeboard.org/> to register and pay (if applicable).
2. Select chosen exam and add to cart. (Note: All active duty candidates are eligible for DANTEs funded testing for their first attempt at each exam). To register as a DANTEs funded candidate, you will need to log in and create a profile. Make sure you select: I am eligible for DANTEs funding.
3. Request transcripts to be sent. If enrolled in a school, search and select your school. Transcripts for active duty service members are automatically sent to DANTEs. CCAF code is 6139. By selecting a school, two free transcripts will be sent.
4. At the end of the process, print your voucher and bring it to the NTC on testing day.
5. See steps 1-2 Registering for DANTEs
